Personal data which is processed and stored

The NKRK stores personal information when you register yourself for our workshops or when you contact us to be included in our mailing list. Below you will find an overview of the personal data which is stored:

- First and last name
- Email address
- Institute and department

Purpose of storing personal data

The NKRK uses your data for the following purposes:

- To distribute our newsletters
- To announce NKRK workshops
- To inform you about news, meetings, workshops, etc, which we believe are of interest for our members

Period which data is stored

The NKRK stores personal information no longer than required for the realization of the goals described above. Upon termination of your membership, we will store personal information for a maximum of five years.

Sharing of personal data with third parties

The NKRK does not share your personal data with third parties, such as sponsors, unless we obtain explicit approval of our members.

Cookies

The NKRK website uses technical and functional cookies, and analytical cookies that do not interfere with your privacy. Cookies are small text files stored on your computer, tablet, or smart phone when visiting our website for the first time. These cookies are required for our website to function properly. You can change the settings of your web browser to unsubscribe for cookies and to remove previously stored cookies.

[View, change, or remove personal data:](#)

You have the right to view your personal data at any time, or to have them corrected or deleted. You can withdraw your consent for usage of your personal data at any time you choose. Please address a withdrawal of consent to secretariaatnkrv@radboudumc.nl. We will respond to your request as soon as possible, at least within four weeks.

Security of personal data

The NKRv takes measure to secure your data within its area of responsibility against unauthorized access and use of third parties. If you feel your personal data has been used in unauthorized ways, please contact the NKRv board via secretariaatnkrv@radboudumc.nl. You also have the right to file a complaint at the national authorities (Autoriteit Persoonsgegevens).
