

## FREE EVENT

*Discover the world of*  
**NUCLEAR  
MEDICINE**  
*& learn how isotopes  
become patient care*

**18-20 SEPT 2026**

**Location:** Camperduin, Schoorl  
**Exclusively for:** master students and  
residents in science and medicine

More information and  
registration via this QR

Discover The World of Nuclear Medicine & learn how isotopes became patient care

NEXUS-NL Weekend

Friday 18-09-2026	
Discover & Connect	
Time	Activity
17:30–18:30	Arrival & registration
18:30–19:00	Introduction: Entering the World of Nuclear Medicine
19:00–19:45	Icebreaker quiz: Radiation & Medicine: Myths vs Facts
19:45–22:15	Dinner

Saturday 19-09-2026	
Discover the Science Behind the Care	
Time	Activity
08:00–09:00	Breakfast
09:00–09:45	The science behind nuclear medicine: Radiation basics
09:45–10:30	Why nuclear medicine matters in modern healthcare
10:30–11:00	Coffee break
11:00–11:40	Parallel session
11:40–12:20	Parallel session
12:20–13:00	Parallel session
13:00–14:15	Lunch
14:15–15:00	Workshop: Detecting Disease Before Symptoms — Hands-on Nuclear Diagnostics Clinical Cases
15:00–15:45	The digital future of Nuclear Medicine: Software and AI
15:45–16:15	Coffee break
16:15–18:15	Expedition Robinson: The Ultimate Teambuilding Challenge: Solve, Create, Collaborate, Conquer
18:15–19:30	Free time
19:30–22:00	Dinner

Sunday 20-09-2026	
Discover the Patient & Your Future	
Time	Activity
08:00–09:00	Breakfast + checkout
09:00–09:45	See It. Target It. Treat It. — The Science of Radiopharmaceutical Design and Its Future
09:45–10:30	From discovery to clinical application: The Rise and Fall
10:30–11:00	Coffee break + check-out
11:00–12:00	Speed date with the experts
12:00–13:00	Meet The Patient
13:00–14:15	Lunch
14:15–15:45	Escape game
15:45–16:15	Wrap-up and evaluation
